

TROPICAL SAVANNAS CRC

Cooperative Research Centre for Tropical Savannas Management

The Tropical Savannas CRC will close at the end of 2009. Funding may be available to continue Savanna Links if our readers think it is worthwhile. If you are interested, please fill out the survey and fax it to (08) 8946 7107, or post to Tropical Savannas CRC, Charles Darwin University, NT 0909. You can also download the survey from our website at <www.savanna.cdu.edu.au/survey>. All comments welcome.

- Would you like Savanna Links to continue as a hardcopy newsletter? YES.....NO.....
- Would you read Savanna Links if it were available only online? YES.....NO.....
- Would you like to see articles and information on:

The CRC Program is one of AusIndustry's Innovation Programs
 Cooperative Research Centres (CRCs) are designed to encourage collaboration between industry, educational institutes and government by transferring research outputs into commercial or other outcomes of economic, environment or social benefit to Australia. The CRC Program is an Australian Commonwealth Government funded program
